A unique blend of hip-hop, old school and jazz with a flow that just resonates in your ear and a sweet delivery Absolut's sound is indescribable. 12 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: West Coast Rap Details: With a flow that just resonates in your ear, and a sweet delivery you can only ask yourself WHO is this guy? Although hes a newcomer to the scene, Absolut could just turn out to be one of the greatest hip-hop stars of all time. He wastes no time getting you hooked on his catchy hooks (no pun intended) and leaves you rewinding the track wanting more of his slick lyrical style and vocal presence. Hes based in Fort Lauderdale, Florida but its not apparent listening to him. His style is indescribable, a unique blend of hip-hop, old school and jazz. Hes very triple C, cool, calm, and collected. His demeanor is laid back but dont get it twisted for one minute, he gets Gd up when necessary. Absolut leaves you wanting for nothing except to hear the songs over and over again. Every track could be a hit single in its own right. Absolut and his childhood friends, Casanova and Aceman, otherwise known as the Greensquad are undoubtedly the best young talent to come out of the Dirty South. PARENTAL ADVISORY. EXPLICIT LYRICS.
