LuvNasty Grooves (luv songs to a filthy groove)R&B with a try out of hiphop, injected quail Music thats "Grown Sexxy" 15 MP3 Songs URBAN/R&B: R&B Rap mix, HIP HOP/RAP: Rap LuvNasty Grooves Songs Details: The query remains the same. Who is Adon? Singer, rapper, writer, producer. The reply all 4 furred into one. This young man is in a leauge of his own with luv songs 4 the ladies, and strong filthy grooves for the fellas. Compared to R.Kelly and the likes of Dru-Hill, this one man show gives a new meaning to a "Big Mans Kind Of Luv". Combining lyrics with the production of Charlie Macc, the super producer of Unmistakeable Productions. The music is fully packed with soulful hooks and to the point melodies. One listen and theres that query again. Who is Adon? With the lush orchestration of a mid-west style and some westcoast flava, this puts Adon along with the best. 2002 after the storm has ended. Now its time to make room for the true TruDaddy Adon...for 2003 and beyond.

***** Hello to all and than u for taking the time to listen to my music. I'm going to take some time hear and tell u about the songs you'll be hearing when u purches this cd. 01. Storm: A cool luv song on a filthy groove. Its the story of a man whos been out there in the game with women and now he meets that one..that makes him want to slow down. "Don't want to be a one niter". 02. I Call U'r Name: This is an R&b style rapp. New wave rap with a twist. Original music. I call your name is that. Seeing that one person, and calling out loud, to be more than just a friend. 03. Don't Turn Out The Light: Oh my this cool r&b track and very direct lyrics say it all. Girl its time for u to stop running away and come here into the light. 04. Its Been a Long Time: And it has..When one works the life amognst half naked women. Suddenly u'r faced with the one. Meeting the one that incites dreams 05. Hide The Fact: Its a song about facing facts. A luv song thats warm and real. So many of us run from a good thing. Just hiding in the shadows. 06. My Heart Sees Only U: If u ever felt blind to all that was

around u. Then u'll understand the feeling in this r&b soul song. 07. Why Does It Hurt So Much?: This R&B ballad ask the query. If love is so damn good why do I cry...tears of joy, tears of pain. Tell me why? 08. The Reality Of U: This is an r&b jam with old school flavor sure to make u cha cha. 09. Let Me Feel U'r Luv: The perfect follow up song to Reality. I want something real and solid. This is a Hip Hop funk groove hitting into the filthy zone. 10. I Can Make U Cumm: This is the song that started it 4 me. Its an r&b hip hop groove, thats me to the point.. 11. LuvNasty: Welcome to the zone of not fast or slow. Luv to the point of oh yeah... and its just one of those get funky with it jams.. 12. Luv U'r Body: All over from the inside out..This is a funky r&b jams. Its light and tasty, yet some real is being served. Oh you'll like. 13. The Scent: Whats greater than the scent of the woman? This sultry ballad explores the more. The tru scent of the woman that dances in the head, the heart, the soul. 14.
