Details: The songwriting on Andrea's brand new album, Deciding What to Keep, is flawless. Storytelling that touches the soul so deep, done by one so young, should not be allowed. The rest of us, who are incapable of being so expressive can simply either shake our head in amazement, or decide to participate and wonder audibly how she knew the thoughts that were going through our heads. The production is fantastic. The artwork is perfect. The fact that this girl is an "indie" will make anyone wonder why they ever decided to buy from the big labels in the first place. - Steve Merrick, Founder of Elephant Man Music

"Andrea Hamilton is a star on the rise. Her melodies are fresh and inventive, her lyrics are honest and intelligent and her performance style is singular. When I first heard Andrea's music, it was like meeting someone you knew would be your best friend." -Sam Harris, very first Starsearch winner, TV star on NBC's The Class

"The first time I heard Andrea Hamilton play, she did that thing to me that only the greats can do. She made my heart ache. Her powerful and sincere voice, her genuine and inspiring lyrics, her gentle, unassuming, and humble command of the stage leaves anyone that is listening with an awareness that they just witnessed something great. I can't wait to make my way over to the Anaheim Pond or the Staple Center to see Andrea Hamilton doing her unique and awe-inspiring thing." -Tyrone Wells, Recording Artist - Universal Records

"Andrea's sound is completely fresh and original. Her voice cuts through just enough to relay the sincerity of her wonderful lyrics." -Randy Miller, Q104 Radio Host and Producer

23 year old singer/songwriter Andrea Hamilton shows her true colors with an honest and refreshingly raw burst of acoustic color in what has become a black and white cookie, cutter world of ready-bake popular music. Andrea's latest songs speak truth, reminding us that regardless of the cards

we are dealt, it'll be alright in the morning. This new record however is far more than alright - anytime of day! - Jericho Records There is a likability in Andreas voice that reminds me life is good Well crafted, well executed, well done! -Andrew Mauzey, The Songwriters Pen Andreas fresh and catchy songwriting reaches deep into the soul, nurturing some of the cleanest and most ear-titillating pop sounds around. With a voice so smooth it cools like water, she sings of hope, which in todays world should count as harder currency than bullion. -Tom Beigle, Freelance Writer Andrea makes an intimate connection to her listeners with simple, insightful lyrics. -Pasadena Weekly After a hard day at the office, I ventured to lie back and sample the sounds of California-based singer/songwriter Andrea Hamilton. My timing was perfect to listen to the honest outpouring of the heart of this gifted storyteller. There is no cover up here as she shares her hopes, failures, fears, dreams and disappointments that strangely proved to be soothing balm across the furrowed brow of this listener. -Cross Rhythms Radio, UK Andrea Hamilton's a pretty remarkable musician and individual. She has drive, savvy, passion, and she's incredibly talented too. It's rare to find that combination of elements in one person at one time. She not only has a lot to offer right now, but her future promises a great harvest of music and general all-around goodness. -Don Chaffer, Top Billboard Songwriter, Lead singer of Waterdeep There was something in the radiance of her voice that revealed her inner assurance. I know that's what I love about Andrea Hamilton's music. She sings from the depths of her soul. God has given Andrea Hamilton a powerful voice and life lyrics that are rock soul for every listener. Even more stunning than her voice is her inner light. -AWOE Magazine During the verses of It'll Be Alright, she was coy and intimate by turns, an Old World pixie uprooted and replanted in the Great Plains. Then, just when I felt the need to protect the frail thing, the chorus hit and she revealed pipes cultivated by generations of women with guts. Im talking Joni Mitchell-singing-California guts here: pure and crisp. Her delivery often conjures up open spaces and Omaha and blue skies (especially on Truth Get Your Boots On). Wait. Omaha. Thats in Kansas, right? Because I think thats where shes from. Whatever. My point is that a little alt-country around the edges is really refreshing. -BandNation.com
