A prolific songwriter for over 25 years, he often co-writes with local and Nashville lyricists. "The Life Inside of Me" is Andys latest CD and features 12 new worship and ministry songs. Similar in genre and musical feel to his debut CD, "The Life Inside of Me" is psalm-like, expressing the heartfelt emotions of a man of God while praising his faithful creator. This CD is both energizing and soothing, inviting the listener into a place of rest and peace in Gods presence.
