100 Talkbox 100 Funked grooves . Enjoy the unique TALKBOX style of Clive Knightley with his soulful, smooth, groovy underlying beats. Feel good album from start to end. A must for any talkbox fan. 10 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Show all album songs: Talkbox Times Songs Details: Growing up with the sounds of Stevie Wonder, Earth Wind and Fire, Chaka Khan, all thanks to his father. Discovering Guy, Robert Kelly, Jimmy Jam and Terry Lewis in the 90's (some of his favourite producers) has helped Clive produce his sound !! Clive learnt his skills producing/recording local talented musicians and vocalists. At his studio in Southampton (Avro studios). He is self taught and plays everything by ear. He has been a fan of the talkbox sound for quite a few years. A little research on the net, a purchase was made, his own talkbox. Nine months later his first album was created - called Talkbox Times.... Volume one.... For anyone interested in the sound of the talkbox. Made famous by the likes of Roger Troutman RIP, Teddy Riley and many more. A talkbox is a musical device which we can use to create synthesized vocals. Tupacs California love is a classic example of brilliant talkboxing (Performed by Roger Troutman). Clive would like to thankyou for reading his notes, listening and hopefully buying his album.
