A roller coaster ride of bluesy pop/rock tinged with some country Gospel. 12 MP3 Songs POP: Pop/Rock, COUNTRY: Country Blues Show all album songs: Grace Songs Details: Origins of GRACE. 1-I BELIEVE IN LOVE---I was browsing in a book store listening partially to the music droning to a current popular song that only went back and forth between two chords. They had me for a while, but I hoped it would break into something wonderful set up by that caffeine-free melody and pace. It didnt happen; I was about to scream. Subconsciously, I start re-writing it and adding that third chord. It was a list type of lyric on boring, down stuff. So, I thought of making a happier version of that structural idea. 2-I WANT TO FEEL THAT WAY AGAIN---Long time love is not an overly exploited subject of songs. Its my favorite song on this album. 3-IT COULDVE BEEN YOU---I envy and admire folks who can write story songs. This is yet another attempt to learn how. 4-REMOTE POSSIBILITY---It was the night before my Lasik surgery, and I was thinking about the warnings that there was a remote possibility of blindness by the procedure. Well, that doesnt play well for a subject, but I liked the groove of the title. And if youre singing the blueswhy not about love? 5-DO YOU LOVE ME LIKE I LOVE YOU?---I saw Jimmy Buffet on TV. Hes such a bright spot. His music is completely fun and up. So I put on my Parrothead and wrote this with his smiling face in mind. One has so many influences. 6-IN YOUR HANDS---For everyone who has ever been held captive and terrorized for moments or decades, I wish you strength to escape and fight for a better life full of peace. 7-LUSCIOUS LOVE---What better a subject than food and love? Sweet. 8-GOOD MOM---I know so many wonderful women who define and detail the art of a loving commitment to their children. Best investment of their lives. 9-I GOT A THING FOR YOU---I enjoyed the feel of the chords first, then came light, playful lyrics. The fifties vibe is fun! 10-I DONT LOVE YOU ANYMORE---There comes a time at the end of a relationship 11-BIG IDEAS---My mom asked me why I hadnt written a song for my dad yet,

and my first response was, Well, I have. But they weren't very good. Really, they were pretty bad. So, I thought of trying to write from a simple angle and tell some of his story. 12-BETTER---Thank God for folks who inspire us to be the best we can be and influence us to strive to be our best.
