

Mp3 Exit Avenue - Made For The Arcade

[DOWNLOAD HERE](#)

Pop Punk meets Electronica for a late night, fist fight. 9 MP3 Songs POP: British Pop, ROCK: Punk
Details: Exit Avenue: A Hertfordshire, UK, based, All-star quintet of learned musicians intent on nothing short of World-wide Aural Devastation. After spending the summer 2006 fusing Electronica limbs to the Pop Punk torso of a Ninja-Dragon, "Made For The Arcade", their debut EP was born. Deccribed by the Grand-Wizard of HcTim as 'Sega-Jedi-Core++', this is definately a publication worth getting your hands on.
