Austrian bassist Gerhard Graml leads his quartet through a set of eclectic original music. There are nods to 70s-style funk and atmospheric electronica as well as references to straightahead jazz and brisk uptempo grooves. 13 MP3 Songs JAZZ: Weird Jazz, JAZZ: Jazz Fusion Details: Austrian bassist Gerhard Graml leads his quartet Lunapark through a set of eclectic original music. There are nods to 70s-style funk and atmospheric electronica as well as references to straightahead jazz and brisk uptempo grooves. Throughout, the accordion lends an unexpected twist to the original compositions featuring the versatile saxophone of Sascha Otto, the subtle drums of John Favicchia, and the fat-toned basses of Graml.
