

Mp3 J.c. Allen - Rock: Americana

[DOWNLOAD HERE](#)

A impulsive acoustical guitar and a soulful vocalize are matched up with some of the best players in the industry to give birth xiii stories from gut-wrenching to glorious. 13 MP3 Songs ROCK: Americana, BLUES: Texas Style J.C. Allen Songs Details: J.C. Allen If you want big guitar leads, soulful vocals, large lyrics, and a truly live feel, this is it! This is a live studio album!! Recorded at Patriot Recording, Burleson Texas, engineered and produced by Aarom Meador, this music captures the essence of live music. Nothing over-processed, over-analyzed, over-produced, but definitely over-the-top live performances by some really large players. Once you have heard this album, you will not want to miss J.C. Allen playing live. Contact us for touring information and coming release dates. J.C. Allen is a singer/songwriter/guitarist with stage experience that has been involved with several bands and recording projects, the latest of which is his first solo effort. His album of original compositions is given a unique flavor and professional give birthy by the selection of accomplished musicians with whom J.C. had the privilege of recording. Featured on this recording are Derek Spigener and Ron Jones of Charley Pride, Chris Booher, formerly of Asleep At The Wheel, and Tommy Nash, formerly of The Dixie Chicks, currently working with Jerry Jeff Walker. J.C. thrives on live performance, and his music has been appreciated by a variety of audiences, from opening for heavy metal to country, as well as solo shows and songwriter showcases. J.C. is available for booking in the Texas and tri-state area until summer 2005, and will then be open for touring outside this area. He is currently working on his second original album set to be completed in March of 2005.
