

Mp3 John Danley - Canvas & Rhythm

[DOWNLOAD HERE](#)

Experimental, fingerstyle guitar music. 12 MP3 Songs FOLK: Power-folk, JAZZ: World Fusion Details: Experimental, fingerstyle guitar music. All pieces performed with no overdubs. Tracks 2,3,7 and 12 use a paintbrush on the body of the guitar. An instrumental album with a wide dynamic range featuring moving ballads, aggressive tapping, unorthodox guitar techniques and upbeat grooves. "Canvas Rhythm" (2001) is John Danley's 3rd national, independent release. John was presented a critic's choice award in The Nashville Scene based on this recording in 2002. Danley is a regular contributor to National Public Radio, a performing arts entertainer and composer of documentary and independent film music. In March of 1999, Danley developed a style of guitar playing by using a paintbrush to add percussive sounds to the instrument while simultaneously creating harmonies and melodic hooks.
