A unique blend of country and gospel 10 MP3 Songs COUNTRY: Western, GOSPEL: Country Gospel

Details: Dear CD Baby Fans, I wanted to give a brief description of some of the songs on my album:

Ken's Country Vol. II. Starry Road This is a parable on the old Indian belief that, the Milky Way was the Star Road, where brave warriors traveled to the heavens. What a perfect analogy for the gathering of the saints upon the Lords final return. Freedom is not Free This is dedicated to the soldiers who thought more of their nation, then their safety or lives. It honors both the families and the soldiers who have given the ultimate sacrifice. Ghost Dancer This song is about the 1800s legend of the Prancing White Stallion and the desire to chase a dream. Ghost Dancer, the name I gave the horse, is the epitome of following ones heart, and achieving freedom. Desperadoes This is the comparison of three vicious outlaws and one perfect human being. The three outlaws were glorified as heroes and the Son of God was crucified as a criminal.
