

Mp3 Life In A Blender - Tell Me I'm Pretty

[DOWNLOAD HERE](#)

Dark but humorous, an oddly skewed vision of the American landscape set to a unique score of string-driven rock. 13 MP3 Songs POP: Quirky, ROCK: Modern Rock Details: Life in a Blender is an extraordinary band from Brooklyn that is not unlike the drunken clown lost in the darkened carnival grounds. Spectacular arrangements with strings and horns, a keen melodic sensibility, and a sense of humor that swings wildly from the absurd to the bleak make Life in a Blender a true original. Life in a Blender has carved out a special spot in the ears of fans worldwide. They show up unexpectedly, even at the breakfast hour, and begin playing. These guerilla tactics have made Life In A Blender one of the most notorious bands in the music business. When you open your garage door tomorrow, be warned. Life In A Blender may be waiting.
