A unique blend of melodies and meditative backgrounds. Listen to your spirit float, spin and dance like a leaf gently travelling along a stream. 15 MP3 Songs NEW AGE: New Age, NEW AGE: Meditation Details: Mark Bruland was born in Detroit, and at age three began playing by ear and composing on an old upright grand player piano in his basement. Inspired by artists playing Motown, rock and blues, Mark cut his musical path listening to the Beatles, Temptations and B.B. King. Now living in southwest Wisconsin and raising their two daughters on a certified organic farm, Mark and his wife Nancy enjoy working in their apple orchard, blueberry and raspberry patch, working the rows of asparagus, tending to two colonies of honeybees and collecting brown omega-3 eggs from their 25 organic laying hens. Wisconsin Dawn is Mark's first official CD release and was written and recorded during most of the 2003-2004 winter months (while their farm was at rest, buried in snow). It is new age meditative music featuring strong melodies and an ambient feel. Mark utilizes a Roland XP-60 workstation, a Boss BR-8 digital recording studio, Boss DR-770 rhythm machine and an acoustic Takamine guitar. He can be e-mailed at omschloe@frontiernetand always appreciates your opinions, suggestions and ideas.
