Details: Thank you for visiting TwelveSongs.com. My name is Mary Lyn and I am a sober alcoholic. I am also a wife, a mother and a singer-songwriter. I hit bottom at age 24. That's when I was introduced to the program of Alcoholics Anonymous. At five years of sobriety, I got married, then gave birth to my two daughters and distanced myself from "the program", putting my "Big Book" in the closet along with my guitar. Another five years later, with my spirit completely broken, I returned to A.A., now willing to go to any length to stay sober. I bought a new "Big Book", a new guitar, and did my best to learn them both again. I have been very blessed in both my sobriety and my career. I perform regularly and recently completed my first CD, "Twelve Songs." Inspired by achieving recovery through the 12 steps of Alcoholics Anonymous, each song uniquely relates to a corresponding step. I have endeavored to create music that will inspire anyone at any stage of recovery and I truly hope this CD will bring joy to all who listen. May God bless you! Mary Lyn B.
