Instrumental acoustic music that will relax the mind, touch the heart and whisk your soul away into a peaceful state. 12 MP3 Songs NEW AGE: New Age, EASY LISTENING: Background Music Details: "Mystique" is the second full-length instrumental CD for acoustic artist Michael Miles; the latest of four different releases. Like its predecessor "Tranquility", "Mystique" contains a wide spectrum of emotions and ideas conveyed through instrumental improvisations. You'll find with the new CD "Mystique" that it carries the depth of the improvisation deeper than "Tranquility" with greater variety and depth of expression. "Mystique" offers a great depth of relaxation, inspiration and expression, giving you a little something for whatever mood you might be in. Beyond his solo efforts, Michael has also formed the band CRASH EFFECT, an acoustic rock band out of the twin city metro area in Minnesota.
