Peace On Earth features beautiful instrumental renditions of classic holiday favorites by acoustic guitarist Patrick Ki; its smoothly orchestrated sound is soothing yet uplifting, and exudes a stylish appeal from beginning to end. 10 MP3 Songs EASY LISTENING: Background Music, SPIRITUAL: Inspirational  
Details: Peace on Earth is the fifth CD of instrumental acoustic music recorded by jazz/slack-key guitarist Patrick Ki. Featuring an inspired collection of holiday and Christmas songs, Peace On Earth is crafted in the smooth yet richly orchestrated style which has become the trademark sound of this gifted artist. With any of Patricks albums, the listener experiences a seamless blending of many eclectic influences. His upbringing in the Hawaiian Islands, extensive music education and widespread travels all combine to result in a unique mix that both surprises and delights the senses! Along with beautiful renditions of traditional selections such as O Holy Night, Pachelbels Canon and The Joy of Mans Desiring, Patrick has included seasonal classics like The First Noel, White Christmas and Angels We Have Heard on High. When complemented with popular modern hits like Feliz Navidad and Have Yourself a Very Merry Christmas, its easy to see how this album has become a holiday favorite for appreciators of Patricks music. While the soothing ambience of Peace on Earth is similar to that of its predecessors (Patricks trio of best selling albums that showcase restful versions of popular songs and favorite movie soundtracks), Peace also possesses a unique uplifting quality for the spirit that makes it a perfect choice for holiday entertaining and gift-giving!
