Electronic:Dance; Electronic:House; Pop: 90's Pop 7 MP3 Songs ELECTRONIC: Dance, POP: with Electronic Production Details: Fabiola Vettese and David Franco (aka Alex) create the sounds of Toronto based musical duo "Popcycle". "Popcycle's tunes are swayed by retro music from the 1980s and are clearly influenced by Kylie Minogue's vocals and Love Inc.'s rhythms" as described in The Mississauga News. "The Mississauga duo definitely adhere to dance and house music basics, which means pulsating and atmospheric beats. Popcycle's sound is compelling, thanks to electronic beats that force you to become lost in the music." Popcycle has released their debut CD, "Desire". They are currently working on a live show and on their next CD. Visit Popcycle's official website at popcycle.ca
