As a licensed massage therapist I am attracted to and really enjoy creating music that is essentially soothing and peaceful. My idea on this project was to keep the flowing nature and texture of the sound very calm. My goal in this CD is to quiet the mind. The piano tracks were laid down first and I later added the vocals. But, as you will note, there are no words sung on this project. I will make another CD with the lyrics for many of these songs were initially conceived with lyrical content at the heart.
