Read what others are saying about Sandi Kimmel's TRANSITIONS CD: REVIEWS FEEDBACK "Just as the angels of heaven sing in melodic and lilted harmony, there are angels among us here on earth who use the language of music, singing our spirits into heaven on translucent angel wings. The lyrics and music of Sandi Kimmel's Transitions CD is as inspiring as the first rays of light at dawn, as joyful as the flutter of butterfly wings, as comforting as a warm cup of tea and as healing as the kindness and love of a friend. As a music healer and chronicler of the inner journey, Ms. Kimmel has met her calling here on earth with spiritual authenticity and wisdom." Spiritual Sisters of the Internet Caf newsletter, spiritualsisters "The following CD I am reviewing today is magical and relaxing. If I did not already own it, I would buy it again. TRANSITIONS by Sandi Kimmel is the only vocal on my CD player. Sandi's lyrics are happy, uplifting, simple and toe tapping. It makes my heart smile." Mary Ellen "AngelScribe," author of "Expect Miracles" and "A Christmas Full of Miracles," angelscribe "You can now have the pleasure of hearing Sandi's music, which will touch you deeply. If you've been feeling somewhat distant from your own heart, this CD is guaranteed to assist in re-establishing a connection. This is music for the heart and soul and whatever ails you. It's about the ups and downs, the joys and wonders and changes (Transitions) of life. Listen to it. You'll thank me." John

Sackett, Editor, New Horizons Newsletter, newhorizons@topica.com "Singer/songwriter, music healer and storyteller, Sandi Kimmel's debut CD gives words and wings to all the joys and sorrows, losses and gains, agony and ecstasy, hopes and dreams of the experience of being human. Her uplifting and inspiring lyrics remind us of a universal message of joy, hope, love, gratitude, appreciation, and a connection to all life. A great CD to get stuck in traffic with or to help smooth out the edges of a stressful day." KJ Lightsurfer, Webmaster and Healer "Thanks for your beautiful album. It is so dear. Keep shining!" Alan Cohen, best-selling author of "The Dragon Doesn't Live Here Anymore," "I Had It All The Time," "Joy Is My Compass," and others. "It's early Sunday morning and I've been listening to your CD as I compose a difficult, heart felt and emotional letter to someone I care about. I've been experiencing the healing effect of your music up front and personal and I'm in awe. It moved me so much. Thank you for all the truth your music expresses." Margaret S. "Ahhhh! I loved it. Your voice is so deep and rich and the sound just seems to come out effortlessly. I loved that the lyrics showed depth of feeling and stayed positive, showing how even the painful moments of questioning and emptiness are there to provide contrast and impetus to open us to the Light in the heart." Kanta B. "Your CD, TRANSITIONS, is everything and more than I was expecting. The sound is clear, your voice has feeling from the heart, and each song is a gem. Wow! I gave one to Myra, who has MS, and we listened to it together. She is totally blind now and very sad but while listening to your songs, she was smiling and swaying side to side in her wheelchair." Teresa K. "I wanted to tell you that my husband has recently discovered your music. He LOVES it and said that it was the best spiritual music that he has ever heard. He thinks that it is very pure and moving. It had a big effect on him when he first heard it." Jeannie W. "You made a great CD. I listened to it three times yesterday and it moved me to tears of happiness several times. I predict that it will become very popular and give support and comfort to many in need." Ingemar S. "Your music is simply wonderful! My dear friend, Dave, has been fighting cancer and I think your music would be a good tonic for him. Please send him a copy of the CD with my love." Jim S. "I LOVE your CD!! I have played it virtually non-stop since receiving it. It came to me at a much-needed time in my life. It is truly uplifting and wonderful. It brought tears to my eyes. I also visited your website and especially enjoyed your stories. Inspiration is EXACTLY what I need at this point. Thank you for your gift of music." Molly M. "I'm writing to tell you that we have listened to your CD the last couple of nights and the darn thing is only getting better and better. It is addictive." Lena S. "I've listened to your CD a billion times over and have found great

solace and wisdom as I work through my big shift. I've begun to use it as part of my yoga classes. I play it while my students are in relaxation pose and the feedback has been wonderful." Whitney C. "You can feel the love coming through this heartfelt and wonderful collection of music. Truly beautiful and healing. I fell in love with this CD right from the start. The music and words are deeply inspirational and will go right to your heart." Ann Marie S. "I can't say enough about your wonderful CD. Even though I'm not a big music listener, I was really struck by the power of your songs. It's very evident you poured your whole soul into it and you have a fabulous product here that I'm sure will help a lot of people." Randy K. "Thank you so much for your remarkably beautiful, soulful, incredibly gorgeous music. It truly soothes my soul as it's supposed to do." Marlene S. "I received a copy of your CD for my birthday and I just wanted to tell you how deeply the songs touch me. It's really amazing. I get very emotional and start to cry. And my kids love to listen to it, they love the music. Thank you so much for creating it. It is truly wonderful." Isabella D. "I have never seen such talent in one person. The music is absolutely beautiful and very soulful. You certainly are an angel." Mickey P. "Is there a 12-Step Program for your CD? I can't stop listening to it. It has pre-empted every other song in my brain. This is serious!" Jody S. BIO INFORMATION: Sandi Kimmel is a singer-songwriter/music healer sharing her loving energy through her music. She shares her music and her heart with all kinds of audiences in cafes, concert halls, hospitals, recovery centers, nursing homes and senior centers, as well as singing her healing songs to hospice patients as they prepare for their transition from this world. A former corporate executive, Sandi left the business world in 1993 determined to live an authentic life, wherever that would lead her. A songwriter since childhood, she finally let her music be her path. She feels blessed to be living this life, created by the healing power of music.
