A dim view on the universe, in the style of NW hiphop. 16 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, HIP HOP/RAP: Hip Hop Details: As one of the producers for the northwest supercrew Sandpeople, Simple rarely has time to work on his own personal music interests. Tied To Things was produced, written, and recorded over the course of a year and a half in Makeshift Studios - a full blown basement guerilla recording operation. This is Simple's first solo LP offering, with "over 20 new tracks and instrumentals, and if you put it in the computer there is some other stuff also". Tied To Things is an enhanced CD containing a 16 song playlist for your stereo, but when put into a computer (PC only, sorry mac users), there is another small universe to explore. As Simple's 6th major release, Tied To Things stands as his finest work to date.
