"Full of tunes and grooves that drill little holes in your head and get stuck in your brain" Their debut album "SURRENDER TO THE EXERCISE" is sexy, groovy, sleazy, dark at times and unashamedly pop at others. Enter THE SPACE BETWEEN, and you are in a world of temperamental guitar sounds, beautiful riffs and sudden mood swings. Smooth pianos and strings give a respite, but never for long... London based, THE SPACE BETWEEN fuses the best of today's sounds with their inspirations (from Nick Cave, My Bloody Valentine and Joy Division to Satie, The Chemical Brothers, Bowie, the Cure and old school hip hop). But in the end you won't care about where the music came from. You'll just be glad you found it. THE BAND: VINNY PIANA| Vocals, guitars, keys, programming production: After many writing credits for TV and independent movies such as "Love Sexy", Vinny started The Space Between and asked his favourite musicians to collaborate.
