The Sound of Life Songs Details: Into the Deepsea of Sound... The musical world of Tigerforest "Music means much more to me than playing white and black keys together in some harmonious or disharmonious accordance and order. Its more than making impressive eclectic soundscapes or sequences with some content. Music is my life. Music is my playground of emotions and at each time the mirror of my innermost being". -Gunnar Spardel of Tigerforest The Sound of Life is a wonderful CD full of beautiful, relaxing and uplifting soundscapes ranging from chill out to dreamy melodic house songs that will make you travel to exotic beaches or energetic nightclubs. This CD will give you an audiovisual sunset. Gunnar Spardel, the man behind the project "Tigerforest", worked with outstanding guest vocalists on his selfmade debut CD. Amethyste is lending her beautiful ethereal soprano voice to eclectic chill out songs and progessive dance tunes, Kara Johnstads powerful and sensual voice can be heard on the mystic "Colors of the Summer Sky". You can dance away on the progressive dance song "Transparent Days" sung by the wonderful Tiff Lacey (Paul Oakenfold, ATB) or "Riding the Wind" sung by Inga or just close your eyes and dream away with Jennifer Deann Scott on "Longing for the Sun". Listen to brandnew, original and unique sounding electronic music from one of the hottest newcomer in this music genre.
