

Seeing Red: Twelve Tumultuous Years In Welsh Rugby - , Nicholas Bishop

[DOWNLOAD HERE](#)

Alun Carter experienced the highs and lows of the Wales national rugby squad throughout his 12 years working for the WRU. During this time, he saw a number of high-profile coaches come and go, and in Seeing Red he delivers a brutally honest account of what it was like to work with each of them. From the inspirational successes of the Graham Henry and Mike Ruddock eras to the disappointments and failures of the Steve Hansen and Gareth Jenkins regimes, the reader is given an insider's version of what really went on. Carter does not shy away from controversy, and he pulls no punches in his assessment of the rift between Graham Henry and Sir Clive Woodward, the personal and political situation that led to Mike Ruddock losing his job, and the difficulty of handling the group dynamics within the national squad. The former analyst also provides an informed appraisal of the remarkable 2005 and 2008 Grand Slam victories. Winner of best rugby book at the 2009 British Sports Book Awards, Seeing Red provides a warts-and-all account of more than a decade of Welsh rugby and is packed with revelations, exclusive contributions and untold stories that will intrigue and delight all fans of the sport.
