

The Lord - Romano Guardini

Monsignor Guardini has written more than just a life of Jesus. He places that life in the context of history and shows how the teachings of Jesus are related to the whole body of church doctrine and practice. New York Times This book is a masterpiece. It embodies the wealth of modern exegetical criticism opened by Protestant theologians like Karl Barth, the greatest traditions of devotio moderna, French seventeenth century thought, the great insights of the Catholic mystics, and the matured speculation of scholasticism. But above all, it is an approach to Christ through the Gospels. H.A. Reinhold, Commonwealth Guardian's book The Lord has not grown old, precisely because it still leads us to that which is essential, to that which is truly real, Jesus Christ Himself. That is why today this book still has a great mission.
