Give Me Three Hours And I Will Show You How To Unleash The Genius Within You That Can Turn Twitter Into A Profit Making Machine!" Are you on Twitter yet? Surely an opportunity such as this cannot be missed! Twitter is a global phenomenon that is growing every second of every day, with millions of people eagerly awaiting your messages. All your messages are funneled straight into their page and they don't even have to click to read them, so you never have to worry about email open rates again! There are people in every niche imaginable out there, while researching this book I tried to find one that wouldn't be on there, I thought 'crochet' wouldn't be on there, boy was I wrong! After 8 pages of results I got bored and stopped, people are talking about anything and everything and if you can tap into their conversation and provide them with a good enough reason then you can: Introducing 'Twitter Treasure Chest' Twitter is here to stay and the smart marketers are all jumping on board for their slice of the pie, look for all the big names in any industry and they are all on Twitter. What does that tell you? It tells me that if all the people who are pulling down huge incomes online are jumping on this trend then I sure as hell had better get on

board now while things are still this easy to get traffic and followers! I've uncovered devastating methods of Twitter domination that can have you at the head of a hoard of hungry followers who hang on your every word. Forget list building, this is list building on steroids, where people login every day just to see what you are up to and what cool things you are going to introduce them to today. Meanwhile I have a whole chapter dedicated to 'stealth' techniques that mean you can look like a hero when really you are shamelessly pulling in affiliate commissions from all the traffic that you are getting! Here is what you could be learning just minutes from now! How to pimp your profile so you magnetically attract ANY person who comes to see more about you! How celeb hunting can get you a load of raving fans and turn you into the celebrity... The single biggest mistake people using Twitter for profits make, and how that will end up costing you money not making it (I've done it too!). The drop-dead gorgeous free application that sits on your desktop and filters out the 'tweets' from your friends so you don't miss a thing How to use Twitter to give you the most accurate and profitable research you've ever had, handed to you on a silver platter with a little napkin to wipe the drool off your face from the prospect of all that extra money... Techniques to build followers so fast I had to put a warning in there to pace yourself so Twitter doesn't think you are an automated robot! The three GOLDEN rules of Twitter that can make or break you... How to use subconscious marketing so that all the other marketers get called out for spam and your following just grows and grows! And so much more!
