

Unsung Heroines: Single Mothers And The American Dream - Ruth Sidel

[DOWNLOAD HERE](#)

This compelling book destroys the derogatory images of single mothers that too often prevail in the media and in politics by creating a rich, moving, multidimensional picture of who these women really are. Ruth Sidel interviewed mothers from diverse races, ethnicities, religions, and social classes who became single through divorce, separation, widowhood, or who never married; none had planned to raise children on their own. Weaving together these women's voices with an accessible, cutting-edge sociological and political analysis of single motherhood today, *Unsung Heroines* introduces a resilient, resourceful, and courageous population of women committed to their families, holding fast to quintessential American values, and creating positive new lives for themselves and their children. What emerges from this penetrating study is a clear message about what all families—two-parent as well as single parent—must have to succeed: decent jobs at a living wage, comprehensive health care, and preschool and after-school care. In a final chapter, Sidel gives a broad political-economic analysis that provides historical background on the way American social policy has evolved and compares the situation in the

U.S. to the social policies and ideologies of other countries. Author: Sidel, Ruth Publisher: University of California Press Illustration: N Language: ENG Title: Unsung Heroines: Single Mothers and the American Dream Pages: 00000 (Encrypted PDF) On Sale: 2006-03-29 SKU-13/ISBN: 9780520247727 Category: Social Science : Sociology - Marriage & Family Category: Family & Relationships : Parenting - Single Parent
