

# 16 Completely Unrestricted PLR Reports

[DOWNLOAD HERE](#)

Each module is an eBook and/or a special report on the subject at hand. They are written as if the reader is being introduced to IM for the first time, introducing each sub-niche appropriately. By adding your own material, you will be creating a unique, special product for your prospective customers. You get complete unrestricted PLR rights to these reports - so you can even give away or sell PLR outright! This gives you maximum flexibility! You can even use them as an extension to promote any of your own products or any other resell rights products.
