Yasmin Stoker is a ghost tour guide who spends her days showing tourists around Shoregrave's haunted hotspots. She also happens to be a wraith who spends her nights hunting Revenants, newly-risen flesh-eating vampires. On one of her regular hunts, she witnesses a mysterious ghostly girl pulling the body of a teenage boy underground. Who and what is this girl, and why is she attacking men around the city? Yasmin investigates, but it quickly becomes clear that somebody wants to keep her from finding the killer and they'll do anything-including ambushing her with ghouls and cacodaemons-to stop her. With only a persistent private eye and a taciturn vampire (one of the Immaculate, no less) to help her, Yasmin must deal with fanatical necromancers, crazed ghosts, and a sexy history teacher in her quest to solve the mystery. And along the way she uncovers some heartbreaking truths about her own existence.
