

Betta Late Than Neva (mp3 Album)

[DOWNLOAD HERE](#)

Col'tre actually sounds unique but with a combination of Giants. 15 MP3 Songs in this album (63:59) !
Related styles: URBAN/R&B: R&B Rap mix, HIP-HOP/RAP: Hip Hop People who are interested in 2Pac LL Cool J Kanye West should consider this download. Details: Col'tre is one of the hottest and fastest rising artist to ever emerge commercially from the state of Indiana and his new album "BETTA LATE THAN NEVA" is very well put together album, it's creative, clean, quality production, and quality songwriting and overall enjoying to listen to. Any and everybody who puts this record in their CD player says they don't take it out. The album has songs on there for everybody and it doesn't sound forced, it's natural for this artist. You can tell that he is a seasoned veteran because it shows in the project. The uniqueness of this album makes it stick out because it's not the same old typical songs you hear on the radio all day everyday that all blend together. When one of these songs come on it will catch your attention because this music has its own lane. Col'tre is not only an artist but also the C.E.O. of THE ISLAND ENTERTAINMENT/ATLANTIC RECORDS. The author of "AQUAE VITAE" a book of poetry and THE RECOLLECTION OF VIS DEMONE. Find out more about this artist and album on myspace.com/coltremusic
