The choices Casey Evers has made in her twenty-six years aren't exactly making her happy. In fact, her life is so on course college, law school, boyfriend, job offer that it's actually off. So, before she slides into fourteen-hour days at a Chicago law firm, she heads to Rome and Greece with her two best friends for one last hurrah. The thing is, her best friends haven't really been all that close to her since she started seeing John two years ago, she hasn't been all that close to John lately, and she's awfully partial to Mediterranean men.
