When Nick Marshall comes into the library that Andy Griffin manages, they discover an immediate, intense attraction to one another. Too bad they both have issues. Nick has a serious problem letting people get close to him, and Andy has a something even worse going on. He has a very determined stalker. Andy's stalker always ends his messages with "Miss me?" and for a while he thinks the guy is gone. He gets to know Nick a little during the sweet silence, but soon enough his stalker is back. Nick's upset that Andy is in danger, but not as freaked out as he thought he'd be at the prospect of staying with Andy to help keep him safe.
