Details: Musical Meditations for Relaxation, Massage Movement. Each original composition is built around a simple melodic theme played on the Celtic Harp. The essential feeling of each theme is explored and expanded to create a lush instrumental mosaic of sound. Repetition of the theme coupled with intricate arrangements transport the listener on a inner journey and evoke a heightened awareness of the moment. Instrumentation includes Celtic harp, guitar, hammered and mountain dulcimer, mandolin, piano, voice, natural sounds and an assortment of other instruments. The effect is a deeply relaxing "acoustic ocean" of sound. Binaural panning creates a 3-D aural effect. Total Time: 1 hour
