An experience in the best of old and new Blues -Rock - R-n-B Music; Attitude-rich Blues-Rock with Soaring Female Vocalist and a Searing Lead Guitar Sound. National Debut Recording on Oyate Music. 9 MP3 Songs

BLUES: Electric Blues, WORLD: Native American Details: Oyate Music and RavenHeart Entertainment is proud to present the debut release from one of the most acclaimed NEW Native American Blues-Rock bands today! BlueDog's new release "From All Directions" is chock-full o' some of the best influences of yesterday .....in the Blues-Rock arena! Great blues-rock artists like Stevie Ray (SRV), Lynrd Skynrd and the Allman Brothers influence the songwriting..... With searing Santana-ish guitar work provided by lead player Eric Buffalohead and the over-the-top vocal stylings of Joni Buffalohead, the songs on this incredible new recording are both memorable and fresh, and showcase both of these superb musicians talents. If you were to take the vocal raunch of Janis Joplin.... The angelic tones of Ella Fitzgerald..... And the soulful-ness of Aretha..... you begin to hear and feel some of what lead singer and lyricist Joni brings to this recording. Add to this the tones of Carlos Santana with the instrumental phrasing of Clapton and you begin to approach the talent of guitarist Eric.... A incredible package! Combined with the natural spirit of Native American music drawn from the influences Indigenous and XIT.....this is band to watch! Produced by award winning producer Tony Palmer and recorded at the One Feather Studio Complex in Albuquerque, NM.... The debut recordings from BLUEDOG is now available exclusively from Oyate Music and RavenHeart Entertainment Corporation. Check out our GALLERY for more of THE BEST NATIVE AMERICAN MUSIC !
