

Mp3 Clapan - 21st Century Lullaby

[DOWNLOAD HERE](#)

A new and innovative audio artist hailing from Krasnodar, Russia. An album full of beautiful harmonics and intricate electronica. 12 MP3 Songs ELECTRONIC: Electronica, ELECTRONIC: IDM Show all album songs: 21st Century Lullaby Songs Details: Clapan is a new and innovative audio artist hailing from Krasnodar, Russia. When we first listened to his music here at Somia back in 2000, we were blown away. Clapan's 21st Century Lullaby is an album full of beautiful harmonics and intricate electronica music. These tracks have feelings. Somia will donate 10% of all net profits derived from this project to The Melissa Institute (melissainstitute.org) for the prevention of violence worldwide.
