Details: Friendsmany of you know of our familys love for the country and people of Guatemala. If this is news to you, please go to [web.me.com/kvanzant](http://web.me.com/kvanzant) and you can get up to speed. Regardless, its there. That love. The love that has birthed visions, given us songs, and engaged our hearts in a whole new way. We have been changed by the broken, the hopeless, the widows, the orphans that call the country their home. Yet in the country, there are those (both native and permanent visitors) who care for the people of Guatemala and who have captured our hearts just the same. They have incredible stories to tell. As if I am endorsing a great book, let me introduce The Greenes. Brady, Cindy, and their boys-- Parker, John, Guille, Charlie. We have known the Greenes for about 10 years. Brady and I were neighbors in college and we all (Me, Kristin, Brady, Cindy) were Young Life leaders/staff together in Knoxville, TN. For the past 6 years or so, they have been living in Guatemala working for Young Life International. By this summer however, they will be forced to return to the States because the support they have been feverishly attempting to raise will be exhausted. Their desire is to remain in the country and to continue reaching the lost and the forgotten. I want to ask you for two things: 1) Please click on the link below, watch the video from Brady and support their ministry financially (address is at the bottom of this email). [youtube.com/watch?v=n7\\_eM7OI8D8](http://youtube.com/watch?v=n7_eM7OI8D8) 2) Please pray for them. I trust your heart will lead you in the right direction as far as specifics. Even if you care nothing about the music, please give. God has used music to provide more than enough for my family. Now my hope is that He will use it to provide more than enough for the people of Guatemala.
