A "must-have" cd.... Sensuously soothing lyrics - smooth tones mellow vibes - Unique underground flava'- Soulful soundtrack of the photo-book/dvd documentary "Ms Harmony" 14 MP3 Songs

URBAN/R&B: Soul, ELECTRONIC: Down Tempo Details: Mello-Smooov: da' concertmate 990 xperience is a soothingly addictive flow of soulful lyrics ...original beatz mellow-smoothness nurtured designed in raw energy creative beauty - Written, produced, arranged, mixed performed by Devyne J Supreme I left Fayetteville North Carolina rolled into Greenville South Carolina on Wednesday ...January 19, 2005 - I wanted to check it out ...was think'n of moving there. My close friend Maxxx offered me his den a little cushion until I found a job got settled ...so I graciously accepted. I was on the verge of homelessness anyway so on Saturday the 22nd ...I drove his truck back to Fayetteville ...packed moved the remainder of my stuff to Greenville. I spent the night in Fayetteville then returned to Greenville 'round "noon" Sunday the 23rd. On Monday the 24th ...while Maxxx was at work ...I began messing with learning his Concertmate 990 keyboard. Soon ...I hooked-up ...plugged-in turned-on my Zoom digital 4-track ...my RCA cd-burner ...Einstein's Shure mic mic-stand ...and in no time ...I was set ready 2 record! During the next Month ...muzik pored out of me like tropical waterfalls harmonize'n spiritual-soulful-universal overstanding. Lyrics flowed "rodeoed" rhythms ...filling-in sections of patterns that pieced 2getha' original-designs in classic "tailored-made" Devyne J Supreme fashion style. During visionary moments of clarity while synchronized exhaled "tree-smoke" subtly sailed slowly along melodic sun rays leak'n through window-blinds in abstract shapes swirls ...I leaned back comfortably in front of Maxxx's home personal computer ...and sent him an instant message informing him of my sudden wonderful awareness. The spontaneous exploration into uninhibited sound-terrain that inspirationally sprang-out of joblessness

...curiosity creativity ...[pause'n 2 smile a little] as I reflect type these words ...it's March 17, 2005
8:38pm. Almost two months of growth ...two months of momentum ...two months of transition from wish'n
...dream'n hope'n for a chance to produce a "muzikal" project - to the secure root/soil reality of
recognizing opportunity with courage to pursue it. From the obscurity of "unknownality" ...to the
completion of a worthy product for self-entrepreneurship love-spread'n ..."Mello-Smoov: da' concertmate
990 xperience" is the passionate result of artistic hunger ...creative freedom production growth!!!! 2wards
the end of February 2005 ...I selected 14 songs out of approximately 45 - the most soothing ...mello
smoov ...or quite simply ...the song's that best describe xpress emotions ...colors ...uniqueness'
vibrations of "Ms. Harmony" ...the picture-book/dvd documentary in which "Mello-Smoov: da' concertmate
990 xperience" is "now" the official sound track. Bare "pillow-talk" intimacy is the quintessential elegance
defining calm-timelessness within Devyne J Supreme's sensual seductive sound!!!! Muzik for: sunsets -
driving - think'n - write'n - cool'n - vibe'n chill'n smoke'n sex'n love'n meditate'n naturalism after work
relax'n - sunsets - late night background sensations! "Mix Gil Scott Heron, Roy Ayers, Sade, Erykah
Badu, Rakim Virginia's Hampton Roads Underground roots ...rhythms sounds" - Devyne J Supreme
