

Mp3 Edward Dee - The Sound Of Pretend

[DOWNLOAD HERE](#)

Fresh... upbeat... grown-up... original alternative blues telling stories of life's relationships to life. 10 MP3 Songs BLUES: Jazzy Blues, EASY LISTENING: Soft Rock Details: This latest CD from songwriter/performing artist Edward Dee, entitled "The Sound of Pretend", is an inviting musical journey through choices, challenge, and relationship with life and love. In this CD - Dee's third release - he brings forth compelling melody lines, persuasive rhythm, and a distinctive vocal style that is clear and inviting. This project showcases to Ed's audience some of his earliest music never before recorded - now brought to life with a fresh palette reflecting the day. In addition, there are new compositions featuring Ed's guitar work coupled with the many masterful musicians who shared in bringing this art to you. Edward Dee is a recognized artist in his community of Half Moon Bay, CA and the San Francisco Bay area. Ed is also a seasoned session guitarist who owns a small organic farm, teaches, has musically directed for the Coastal Reparatory Theatre, volunteers with a non-profit men's organization, and serves the county on his local town council. How ever you look at it, Edward Dee has set out crafting a life that is rich and rewarding - and it seems he wants to share it with you. Edward Dee's music has something to give...his songs are about life...his message is for us. Recorded at Red Rooster Studios in Berkeley, CA and mastered at Capitol Records Hollywood, this project is a production of superb quality. This one will stay with you!
