rAW V.A. Hip Hop With sounds ranging from up north, down south to midwest-Kmastamine and Naymon Hit topics and punchlines for the street be it slow or fast. 16 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Versatile and hip hop heavy mc's Kmastamine and Naymon tear up the hot beats made by UndaEarth ent. in this 16 trak trunk-slammer. From dirty to clean this is a "listen all the way thru" album. The contrast of mc styles in this album gives it a unique and original sound while the beats bang hard as hell. From bass-heavy tracks like "The Realest" to hiphop classic sounds like "Got to Pay" this is an album south to north will like. Espeonage hails from northern V.A. and has been a force in the music scene on the east coast since 2000. UndaEarth is responsible for many artists with its bangin' production work and beats for the hip hop heads over again. Overall a "lyrical masterpiece" that must be ILLEGALL!
