

# Mp3 Featuring The Storytellers - Dub Sac

[DOWNLOAD HERE](#)

Kick back and let this sac of dub ease your worries and connect your roots to the throbbing womb of humanity. 14 MP3 Songs WORLD: Reggae, ELECTRONIC: Trip Hop Details: crazy dubwise love All-Music Guide I dare say none can dub like Doctor Echo Reggae Reviews Dub Sac is another potent dose of dubs up for offering from Anicca Records. Featuring collaborations between Doctor Echo and Sacramentos premiere reggae and dub band, The Storytellers, this album also includes projects from other local bands and individuals. International Farmers, Who Knows, Shocks of Mighty, The Dynamos, Just-Fi., Kevin Price, and Mike Chefdog Sheftner from Deadly Hi-Fi Productions. Professional skateboarders Matt Rodriguez and Matt Pailes both contribute musically to the Storytellers sound with drums, percussion, and vocals. While Matt Pailes, AKA Ras Matthew, has gone on to produce some of his own albums, this collection highlights some of his earliest chants and lyrics. Considered one of the most prominent dub artists of the younger generation, Doctor Echo continues to enjoy a solid and growing underground fan base that ranges from ska/reggae lovers to punk rockers and electronic heads. Enjoying musical collaborations with Blackalicious, Filibuster, the Steady Ups, and Frank Jordan, his musical mixes plunge the depths of darkness and emerge full of light, setting the listener on a sedated inner-matrix exploration.
