Acoustic collection of original ballads, love songs, and instrumentals, featuring vocals, guitar, bouzouki, and tambura 10 MP3 Songs FOLK: Folk-Rock, FOLK: Modern Folk Details: After many more years than I care to acknowledge, I've finally come up with enough material to create a cd. The equipment used to make this home recording was given to me by my family on the occasion of my 50th birthday. I've spent many hours over the last three years recording, mixing, and mastering these songs. This project allowed me to try my hand on some new instruments and work on creating some lead riffs, which was quite a departure for me. The bouzouki, tambura, acoustic steel and nylon string guitars used are pictured on the cover. This cd is dedicated to my family and friends who have listened to my music and encouraged my efforts over the years.
