Smooth and Uplifting Contemporary Christian Sound. 13 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: R&B Pop Crossover Details: James D. Treadwell, Jr. (JDT) has the ability to compose music in a variety of flavors, from a rhythm and praise beat to contemporary jazz inspiration. His musical style clearly expresses a love for Christ through its contemporary upbeat tunes and colorful lyrics. Always rooted and grounded in scripture, he has the ability to take listeners on a joyful ride vocally and to capture your total attention. JDT is passionate about his love for Christ and the ministry of music God has given to him. He says, "I hope to lift heavy burdens and loose the bands of wickedness through song. I want to release the presence of God through Holy Spirit-inspired melodies leaving the saints of God longing to see Jesus face to face. To see JDT in concert is to really get an idea of the versatility of the artist. He can hold his own singing solo on love ballads to the Lord or explode as the leader of a group of 20 people that makeup the JDT Ensemble. We like to say around our way that "he's really got it going on!"
