6 amazing featured artists, with all the right Dance production. It's emotional Trance. The style to bump seven days a week, Ibiza style. 13 MP3 Songs in this album (49:09)! Related styles: ELECTRONIC: Trance, ELECTRONIC: Dance People who are interested in BT Paul van Dyk Armin van Buuren should consider this download. Details: Considered as a musical performer by many at the early age of 7. After writing and performing his first song, at his Church, Toma knew music was his passion and calling in life, destined to write, compose, and create everlasting music. While Growing up playing Piano, Toma was exposed to different cultural sounds and musical genres, ranging from Trance, Hip-Hop, Spanish, Middle Eastern, Rock, Rhythm Blues, and Classical music, all of which have molded him into the talented young Producer/artist he is today, delivering an explosive, dynamic and refreshing sound that the world has yet to see. After graduating High school, Toma quickly went on to University of San Diego to pursue his Business degree as well as study and pursue his musical career, collaborating with his longtime friend Malek Zavaro. Toma grew up with a great deal of creativity, as well as being a self-taught producer, writing and singing music came naturally to Toma with the astounding ability to create emotional, romantic and powerful melodies and harmonies. He is what the world has long been waiting for.
