Contemporary R&B that merges elements of 70's 80's soul with the sounds of today. Great piece of contemporary songwriting, arranging, and vision here. 13 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: R&B Pop Crossover Details: As the founder of the up and coming T.R.I.B.E. OF WOLFEMEN production team, PSO Phly Records, and music publishing entity, Phabulously Phly Music (ASCAP), Keith has managed to carve out a contemporary style and sound that has made his production company somewhat of a success in its short tenure--he's logged over 35,000 plays on the Soundclickcharts and registered eight #1 hits there. Trips is a great mix of styles encompassing elements of Pop, Soul, Gospel, Hip Hop. Add the little known fact that Keith performed, wrote, produced, and recorded everything on this gem, and you'll begin to see what the buzz is all about. From the first breath on "The Letter" to the hanging organ chord at the end of "Black Man" Keith delivers you 51:03 minutes of some really great work. But don't take our word for it, listen...
