An intimate relationship between a vocalist and her fingers on the keys. 10 MP3 Songs FOLK: Alternative Folk, FOLK: Irish Contemporary Details: Kelsey Wheadon is a singer/songwriter who loves creating music people can relate to, music that inspires and promotes people to be happy and live to their full potential.

"From the first few bars, the listener is already in a trance that the vocalist intended to place them in. The arrangement of the song is so beautiful. At no point in this song is the listener bored. This song is a perfect example of music. This is music in its truest form. Neither instrument nor voice tries to out do one another. Everything is in synch. I shed a tear as i listened, and that's all before i even heard the vocals.

The vocals rendered me breathless, filled me with dispair and longing. This song is a rarity. It MAKES you FEEL the message, not just hear it. A work of art. A masterpiece." Kelsey writes primarily for piano, but enjoys writing for viola, mandolin, and string quartets. People who are interested in Tori Amos Sarah McLachlan Nickel Creek should consider this download.
