It's not out yet, but I'll try to send some post cards when it its finally on the streets. I've been doing some traveling and more music--I'm sure everyone could have guessed that. Just so you're not wondering what is taking so long. If you're interested, shoot me a blog on weedtracks.com...I promise to be nice =) My history: I have been doing musical production for the past 14 years. I've worked with Rappers, performed in live bands, and wrote or produced songs for other artists. My first of many stage performances was with the Raw Diamenz(Rap/Soul/R&B) in Stuttgart, Germany in 1990. As a member of the group, I did some writing, Lead and background vocal and played the "hype man" on stage. In 1997 I decided to product a few peaces for myself and they evolved into "Bein' Selfish." I really enjoyed the accomplishment of my first album and have continued to write/produce my own music. You won't be disappointed. LeRoy a/k/a LeRoi
