Six traks, 3 for each project. And the painter Vinh Ngo as third element that makes the cabala rule. The devotion and religiousness of Murphy's [actually, this new three traks got into darker colors.] meet the idea of aesthetic and suave melody of Lorenzo 6 MP3 Songs POP: Delicate, ROCK: Psychedelic Details: On this split cd, we have two characters: 1 The many diverse incarnations of multitalented musician, singer, composer and director and DJ Lorenzo Fragiaco. He's usually used to release a 7" per year, thanks to the Stuart Stapple' Lucky Dog Records (Tindersticks). 2 Father Murphy, a trio a no. band. Freddie, Chiara Lee and the biblical hero Gvitron. Seems like they have something to do with some type of religion, but then it doesn't. The band seems to consist of members from New York City and Venice, Italy. ABOUT THE RECORD: Madcap Collective joins Murphy's choir, as if they were angels, to spread out, together with Lorenzo Fragiaco and Vinh Ngo, the upcoming release of: "When Ground Figures bless in black tutus" Six traks, 3 for each project. And Vinh Ngo as third element that makes the cabala rule! The devotion and religiousness of Murphy's [actually, this new three traks got into darker colors...] meet the idea of aesthetic and suave melody of Lorenzo Fraciaco, helped on the third track by the sweet Francesca Luzzi. But check the two covers, both of them, as for the music, are two different sides of the same weird and threatening coin! A on the 12" vinyl "I saw seven horns rising up from the Sea, when a rooster sang for the third time", Father Murphy makes stronger his working together with the faboulous Vinh NGO, who's already working on a new murphy's release! A gratefull thanks to Lucky Dog Records and Arab Sheep, labels of Fragiaco and Luzzi!!
