

Mp3 Mike Heaphy - Infinite Heart

[DOWNLOAD HERE](#)

lyrical folk-rock 12 MP3 Songs FOLK: Power-folk, ROCK: Folk Rock Details: I've always found lyrical music a great release. A certain combination of words and music can both up-lift and make you think. The idea that someone out there has shared that feeling makes you realize you are not alone. Although the feelings expressed in these songs are my own, it is my belief that you have had them at one point or another in your life. Like the soul, feelings of the heart are infinite.
