"Clark ov Saturn and Recone Helmut, two Brooklyn-based producers, churn out some of the chunkiest, most amusing New York drum 'n' bass since Ming + FS debuted their Junkyard style many moons ago" -Thomas Manalo's review of Quarks and Gluons in Lotus Maga 10 MP3 Songs ELECTRONIC: Drum 'n Bass/Jungle, ELECTRONIC: Breakbeat/Breaks Details: "The electronic scene stalwarts that make up pH10 come from the kitchen sink school of production, tossing all sorts of noises and samples, tempo changes and a healthy sense of humor into the mix. It's miles away from the usual beard-stroking type of attitude that's usually associated with the electronic music scene and all the better for it."
