The album showcases Rickey lee's ability to deliver a message with the familiar lines I Still Gotta Go To Work. Indeed every song on the album sounds as if it were recorded to be a potential single, with solid hooks and melodies. At times the phrasing seems more focused on selling those aspects at the expense of emotion. The third song Bottom Of A Bottle, doesnt have any problem with emotion. The attitude is noteworthy awareness of the growing problem in our society today. The CD's next song Thanks To You, tells listeners Rickey is grateful and thankful, and wants to give thanks for all that compliments our everyday life. The track, Thrown To The Wind wind the sounds of the storm rolling in it is a country song filled with emotions galore and a little wisdom. In a broken home scenario about to go bad if someone doesnt give in , the originality becomes apparent.

One we can all relate to Precious Moments can take you back in time to relive that day that your life changed and a moment in time was grasped the message boils down to the only thing standing between us today and ultimate knowledge is lack of time to enjoy the present. Rickey displays and brings back memories of one of the greatest Nascar Race Car driving legends of our time The Black # 3, in a tribute to the great Dale Earnhardt Sr., not letting go of the emotion and following the next track a pair of wings is the concept for Say Hello To Heaven. This song is dedicated to all who have lost a loved one due to an unfortunate drunk driving accident. A man tries to deal with loss and finding forgiveness, in the face of tragedy, raising his daughter alone. The next single is interesting, Rickey's interpretation embraced the humor of the track; I'm Alive and Well In Hell. His presentation is straightforward, allowing much room for fun and dancing, while the message remains perfectly clear. The last but not without compassion Where Ordinary Ends recalls a few different life situations, the fine line between real values and a well delivered love song.
