

Mp3 Simple Gifts - Down By The Sally Gardens

[DOWNLOAD HERE](#)

Traditional instrumental music from England, Ireland, and America performed on violin, recorder, guitar, mandolin, psaltery, and viola da gamba. 14 MP3 Songs FOLK: Traditional Folk, FOLK: Gentle Details: Three talented musicians from the mountains of central Pennsylvania perform traditional music with classical and early music influences. Favorites such as Liberty (old-time American), Boys of Bluehill (Celtic), and Ashokan Farewell (Civil War series) are included, and there are also lesser known but equally wonderful tunes to discover. According to Ed Denson of Kicking Mule Records: "Down by the Sally Gardens is striking. The album is well conceived and well played. There are aspects to these tunes which I've never realized before hearing this recording."
